

We are proud to be serving, and partnering with, local coffee purveyor, Doing Work Coffee.

**Together, with their coffee bean producing farms, they adhere to sustainable and ethical principles.**

**Their mission is to elevate your day with a delicious cup of coffee because you deserve more. Ask us what we're serving as our brew will rotate.**

**From farm to cup, you'll enjoy an exceptional experience from a passionate team of Barista's who care about the world and its people. All guests will receive their local discount.**

Doing Work Coffee strives to highlight the true artists who grow and harvest the coffee that they sell. They serve a high-quality product, while empowering and elevating indigenous people.

**Doing Work Coffee is located at 218 Whitehead Street, Unit #5. To visit their website, scan the code.**
